Dear Parents/Carers

We have an exciting programme of performances over the next few weeks. With many events happening between now and the end of term, please note the following dates and details on booking tickets for performances.

As in previous years we will be requiring your to **register for tickets** as part of our security arrangements and so we know who to expect. These tickets should be registered in the name of the person attending **not booked under the same name**. In some cases tickets have to be restricted to 2 in order to accommodate all the parents, please respect this requirement.

If you are reading this on paper or the links do not work on your device, please visit the school website as all this information is posted in the NEWS section.
