Headteacher - Mr Martin Kelsey

14th January 2019

Dear Parents/Carers

Welcome back to the Spring term 2019. We hope that everyone had an enjoyable break.

I am writing to tell you about the plans for Year 4 this half term. The half term runs from 7th January until 15th February.

Our Science topic this half term is called It's A State and the children will be studying the changing states of matter, this links to our Geography topic of the Water Cycle. There will be a very exciting and informative visit from some scientists who will deliver dry ice workshops to the classes. A

separate letter was sent to you last term regarding this.

The children will be learning chords on the Ukulele in Music lessons and in RE will be learning about Islam. In Spanish lessons, the children will be learning how to read, say and write dates. They will be having Art lessons with our specialist art teacher Ms Ashall and will be learning about painting.

PE lessons will be gymnastics and tag rugby. Lessons for tag rugby will be outdoors despite the cold weather, provided it is dry and the ground is safe, so please remember to provide additional items in the PE kit such as a tracksuit, jogging bottoms, fleece etc.

In Computing, the children will be coding and learning more about E-safety. Their PHSE lessons will look at diversity within communities.

English will be focussed on descriptive writing and narrative, and Maths will develop number and calculation skills.

I am pleased to welcome two new members to the Year 4 team this term: Miss Lakhani and Mr Williams. We look forward to working with them.

If you have any enquiries, please speak to your child's class teacher, who is available after school.

Yours Sincerely

Ms C Giles

Assistant Headteacher

Lower Key Stage Two
