

The Raglan Schools

Sports Premium 2019/20

Vision

ALL pupils leave primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

Objective

To achieve **self-sustaining** improvement in the quality of PE and sport against 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Background

PE and Sport is held in high regards at The Raglan Schools as we believe the benefits of a healthy and active pupil community reach beyond sport itself. There is a strong PE Team under the direction of Alex Flett who provides PE lessons, extra-curricular clubs and a wide variety of competitive and non-competitive sporting opportunities at school and beyond. Alex is seconded to the Enfield PE Team one day a week to support the apprentice programme across the borough. Alex also supports staff through quality CPD and coaching.
